HONDA / ACURA Thefts

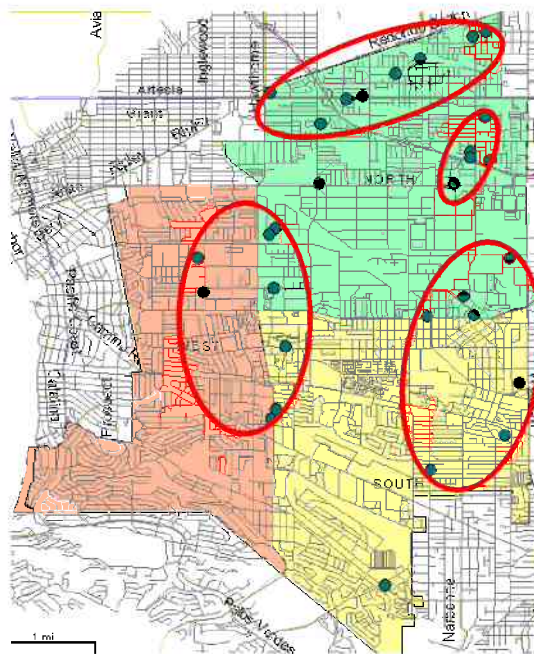

August 31, 2010

DETAILS: Since early MAY 2010 there have been 32 thefts of Hondas (15 Accords 1990-2007 model years, 12 Civics 1988-2007 model years) and Acuras (five Integras 1991-2001 model years) from commercial areas and residential areas including both apartments and single family dwellings.

The thefts have been steadily escalating with four in May, six in June, nine in July and thirteen in August. The majority of the thefts have occurred in the area of the city north of Torrance Blvd.

Based on our analysis the most likely days for thefts to occur are Sunday through Tuesday between the hours of 6:00 and 10:00 pm.

Please be even more vigilant than normal in making sure your vehicle is secured and parked in as safe a location as possible. If you have any information in regard to these crimes, please call the detective listed below. If you see something suspicious in your neighborhood, please call 9-1-1 immediately.
